MIAMI CONVENTION CENTER

General Information

Utilizing both the Lobby and Ground Levels of the James L. Knight International Center, the Miami Convention Center is comprised of two primary and three secondary function areas; on the Lobby Level is the 28,000 square foot Riverfront Exhibition Hall which is dividable into North, Central, and South halls thus providing maximum flexibility for any exhibit, meeting, or banquet function; located outside each hall is a generous lobby area, which can be used for exhibition space, registration or reception activities; outdoors on the Terrace Level is the beautiful River walk area overlooking the Miami River and downtown skyline, a truly unique location for any outdoor activities, meals or an elegant reception; also located on the Terrace Level inside the facility are the Upper and Lower Riverfront Promenade areas as well as the Regency Corridor. These areas provide convenient, centralized locations for exhibition, hospitality and registration functions in conjunction with any event held at the James L. Knight International Center.
